Hi Toddler Time Parents!

In this packet, you will find several activities for your kids to do at home! Each day has a new activity! You will find instructions and links to videos for all of the activities in the pages below!

If you need a physical copy of this packet, please reach out to Bailey at frcyfp@okstate.edu

If you have any suggestions or questions, please reach out to me at lphpipps@okstate.edu

We miss your families so much and hope to see you all at the FRC soon!

-Ms. Lauren
Tuesday, May 5
Make your own Cloud Dough!

**INSTRUCTIONS**

1. Add the flour to the container!
2. Add the cooking oil to the container!
3. Add the food coloring if you are using it!
4. Use a spoon and mix all of the ingredients together!
5. The dough should hold together but also be very soft! Add more ingredients until you have the right texture!
6. Use your hands to play with your dough!
7. Keep it stored in a container with a lid!

**WHAT YOU NEED**

- 1 ¼ cups of flour
- ¼ cup cooking oil
- Container
- Food coloring - optional
- Spoon

This activity is great for your child’s sensory skills! Your child will get to touch so many different surfaces in this activity! Sensory skills are important for your child’s problem solving, self-regulation, language development, and brain growth!

Here is an example of the cloud dough!
Yesterday was Cinco de Mayo, which is a Mexican holiday! Count the number of toppings that will go on the taco below!

This activity is great for your child’s number skills! This will help your child count to 20! Number skills are important because they will help your child learn reasoning and logic!
