## Family & Graduate Student Housing | email: fgsh@okstate.edu |

Family and Graduate Student Housing apartments are available to married and single parents as well as single graduate and upperclass students. Priority is given to families and graduate students. Individuals should apply 8-10 months in advance to ensure choice of apartments. The rates include all utilities (gas, water, electricity, digital cable television and internet connection).

Beginning July 1, 2017, only West units will be fully furnished (\$40/month for furniture). Residents in other neighborhoods that currently have furniture will keep their furniture until the unit becomes vacant. Partially furnished and unfurnished apartments are available. Partially furnished units feature a built-in dining table, four dining chairs, and two full-size beds and mattresses. A full-size bed can be exchanged for two extra-long twin beds and mattresses. Bed size preferences will be chosen on the Housing Portal when residents apply for housing. Residents will be charged \$10 per month for each bed in their unit. Any exchanges or movement of furniture and beds after the resident has selected their housing option will cost \$100 for each move.
